Your Honour

I have sent around 35 emails to various Members of Parliament randomly but on seeing that I have not had a single reply, I am concerned that I may not be entitled to write to them, as in the attached: *ToCatherineMackinenMP(From the Conservative Libertarian)6Mar2025.docx*.

Thanks for the connection Liam.

3. I believe that we are at a point in history where we need to take urgent decisions on the direction that the United Kingdom should adopt going forwards.

4. The way I see things this morning having started Living from the Truth is that we in the United Kingdom have choices from which to take a decision as to the road ahead: either we live to a dictatorial Monarchy as now (what I have described as being constructed by Satan-evil elements of a bygone age) or we have an ornamental Monarchy as set out here:

<https://www.theconservative/libertariansociety.com/about-1> which essentially retains King Charles III and then Prince William and then Prince George etc as the next in line Cultural Head of the nation, or we just carry on as we are now and rejoin the European Union with its Court institutions such as the European Court of Justice, the International Criminal Court, and European Court of Human Rights to monitor the violation of the rights of human beings by the judicial structures of the United Kingdom as a final resort for people to take their cases to.

5. The special relationship of the United Kingdom with the United States of America is already under strain proving to be not what it has been cracked up to be. Our economy would seem to be better off with a bias in Europe.

6. I believe in consensus politics so that we discuss these matters. Will you therefore join me in my campaign to bring truth, justice and democracy into the world through memberships of Conservative Libertarians (UK) at <https://app.joinit.com/o/conservative-libertarians/> and of Conservative Libertarians (Global) at <https://knowledgefoundersunited.com/> ?

General Form of Judgment or Order

In the County Court at Central London

Claim Number: E35YM660

Date: 19 January 2021

DR SHANTANU PANIGRAHI 1" Claimant Ref

MRS THERESA MAY - PRIME MINISTER OF THE UNITED KINGDOM 1" Defendant

Ref Z1819776/TBL/A4

Before His Honour Judge Parfitt sitting at the County Court at Central London, Central London, R. C. J, Thomas More Building, Royal Courts Of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submissions and on the Appellant's request to reconsider the permission to appeal refused by HHJ Lethem by order dated 30 September 2019

**IT IS ORDERED THAT:**

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance — since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
- 3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5(2)(a) and the Respondent's letter dated 13 January 2021 and two costs schedules contained in the Appeal bundle (in pdf format) shall be treated as an application in that respect.

4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.  
 Dated 19 January 2021

MAKING IT UP AS ONE GOES ALONG

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of *satya-advaita* yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words *Samadhi* and *Mahasamadhi*. I wish to make it clear at this point in time. For me *Samadhi* started on completion of my Book *Truth-accommodation* (*Satya-advaita*) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the *Conception of Reality*, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best *bhakti* that I could approach God with was to discover my own fate within the *Grand Design*, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as *sanatan dharma*, that is to say karma in *sanatan dharma*.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of *Dharma Rakshati Rakshita* as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Hi,

I hope you are keeping well.

My wife and I own a growing commercial cleaning company in the area and wondered if we could pop in and give you a quote?

If not, can I cheekily ask if you can keep a note of our contact details for the future?

It'd be great to hear from you,

Jamie.

## Terms and Conditions

By participating in PayPal's Reward Programme (the "Programme"), you agree to the following terms and conditions ("Terms").

1. Offer Period: The Programme starts at 12:00:01 a.m., Greenwich Mean Time ("GMT") on 20 February 2025 and ends at 11:59:59 p.m. Greenwich Mean Time ("GMT") on 24 March 2025 or until 120,000 Rewards have been rewarded, whichever happens first (the "Offer Period").

2. Redemption Period: Reward (as defined below) will expire 30 (thirty) calendar days after the date the Reward is made available in the Eligible Participant's Valid Account.

3. Eligible Participant: To be an eligible participant (an "Eligible Participant"), each participant must: (1) be eighteen (18) years of age or older; (2) be a resident in the United Kingdom; (3) have a United Kingdom personal PayPal account in good standing (a "Valid Account") during the Offer Period and Redemption Period and (4) receive an authorised invitation to participate in the Programme ("Invitation") (eligibility for those who receive the Invitation will be determined solely by PayPal); and (5) download the PayPal app and log in. The Programme is limited to the first 120,000 Eligible Participants who successfully claim the Reward on a first-come, first-served basis. For the purposes of this paragraph, "good standing" shall mean the Eligible Participant is not in breach of the Terms and the User Agreement, and will continue to comply with the Terms and the User Agreement for the duration of the Programme.

4. How it Works: To qualify for a Reward, Eligible Participants who receive an Invitation to participate must successfully complete the following during the Offer Period:

a. Download the PayPal app; and

b. Once the PayPal app is downloaded, Eligible Participants must log in to their Valid Account on the PayPal app.

5. Reward: The Reward amount is £5.00 GBP (five pounds) (the “Reward”). Once the steps described above are completed and verified, the Reward will be made available in the Eligible Participant’s Valid Account within approximately 14 (fourteen) days after verification of Eligible Purchases but may be available sooner. Eligible Participants will also receive an email informing them when the Reward is available in their Valid Account. During the Offer Period, there is a limit of 1 (one) Reward per Valid Account. Reward will expire 30 (thirty) calendar days after the date that the Eligible Participant receives the Reward in their Valid Account. There is a max of 120,000 Rewards available. Use of the Reward will be reflected on the Eligible Participant’s PayPal receipt and/or in the transaction details of their Valid Account. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant’s Valid Account. The Reward is separate and different to PayPal balance. Should the total purchase amount exceed the Reward value, then you must add a payment method to your Valid Account in order to fund any remaining balance and redeem the Reward.

6. Receiving and using Rewards: A Valid Account must remain in good standing from the time of participation through Reward fulfilment, as reasonably determined in PayPal’s reasonable discretion. Subject to giving reasonable notice to the relevant Eligible Participant where possible, PayPal may provide an alternate Reward of equal value if it is unable for any reason to fulfil the Reward. PayPal reserves the right to limit, cancel, suspend or modify this Programme in part or in its entirety at any time. If we do so, we will provide you with reasonable notice. PayPal reserves the right to review any account or transaction related to this Programme, for any reasonable cause and delay completion of the Reward. Before delaying or cancelling the Reward, PayPal will give the Eligible Participant reasonable prior notice, where possible and practicable, and the possibility to object to the decision. If item(s) purchased using a Reward are returned and the Reward has expired, PayPal will first refund the money spent to the payment method used to complete the Eligible Reward Purchase and purchase amount in excess of the money spent (i.e. the value of the Reward) will not be refunded. If the Redemption Period has not expired, the value of the Reward will be returned to the Offers section of the Valid Account and will be available for use by the Eligible Participant up until the Redemption Period. Similar offers may run at the same time; qualification for this Programme does not constitute qualification for any other offer. PayPal is not responsible and/or liable if any e-mail, Reward, purchase, referral or Programme-related materials or correspondence are lost, fraudulent, stolen, late, incomplete, illegible, interrupted, delayed, altered, defective, misdirected, tampered with, or irregular in any way or if any Eligible Participant’s e-mail address, Valid Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. The Programme is void where prohibited or if the Eligible Participant’s account or transactions are fraudulent, abusive, not completed through legitimate channels, or irregular in any way. Certain offers may not be transferable. Participants may access a copy of PayPal’s privacy policy available here or contact PayPal if they have questions or requests about the exercise of their rights, privacy and data protection. Any questions relating to the offer will be resolved in PayPal’s reasonable discretion and its decisions related to the offer will be final and binding.

7. Governing law and jurisdiction: These Terms are governed by the laws of England and Wales. By participating in the Programme, Eligible Participants agree to be bound by these Terms and the User Agreement. The courts of England shall have non-exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms. This does not limit your rights

under mandatory statutory consumer protection regulations and for you to bring proceedings before the courts of the place where you are domiciled.

8. Promoter: Marketing services are provided by PayPal Pte Ltd, a company incorporated in Singapore, with registered number 200509725E and registered address at 5 Temasek Boulevard, #09-01, Suntec Tower Five, Singapore 038985. Thanks for the connection Liam.

3. I believe that we are at a point in history where we need to take urgent decisions on the direction that the United Kingdom should adopt going forwards.

4. The way I see things this morning having started Living from the Truth is that we in the United Kingdom have choices from which to take a decision as to the road ahead: either we live to a dictatorial Monarchy as now (what I have described as being constructed by Satan-evil elements of a bygone age) or we have an ornamental Monarchy as set out here:

<https://www.theconservativelibertariansociety.com/about-1> which essentially retains King Charles III and then Prince William and then Prince George etc as the next in line Cultural Head of the nation, or we just carry on as we are now and rejoin the European Union with its Court institutions such as the European Court of Justice, the International Criminal Court, and European Court of Human Rights to monitor the violation of the rights of human beings by the judicial structures of the United Kingdom as a final resort for people to take their cases to.

5. The special relationship of the United Kingdom with the United States of America is already under strain proving to be not what it has been cracked up to be. Our economy would seem to be better off with a bias in Europe.

6. I believe in consensus politics so that we discuss these matters. Will you therefore join me in my campaign to bring truth, justice and democracy into the world through memberships of Conservative Libertarians (UK) at <https://app.joinit.com/o/conservative-libertarians/> and of Conservative Libertarians (Global) at <https://knowledgefoundersunited.com/>?

38 Degrees Logo  
Dear Shantanu,

Right now MPs are trying to decide whether or not to legalise assisted dying in England and Wales. [1]

Assisted dying is generally used to describe a situation where someone who is terminally ill seeks medical help to obtain lethal drugs to end their life. [2] The current laws throughout the UK prevent people from asking for medical help to die. And those found guilty of assisting in England could face up to 14 years in prison. [3]

It's an issue with strong views on both sides - including among 38 Degrees supporters. And it means it's a difficult one for 38 Degrees to know how we could - or if we should - get involved.

So we've reached out to two MPs on either side of the debate to ask them to write about how they plan to vote - and why. We wanted to share those views with 38 Degrees supporters - and then ask you to let us know your views on the issue, and if 38 Degrees should get involved.

So, Shantanu, will you help? Use the button below to see the first of the two MPs' views, then click through to read the second. Afterwards, you'll be taken to a survey to share your views. Or you can click the link below the button to bypass the MP's messages and instead just share your views:

Thanks for being involved,

If you've been affected by issues in this email, help and support is available through the Samaritans by calling 116 123 or visiting [samaritans.org](http://samaritans.org).

PayPal is not responsible and/or liable if any e-mail, Reward, purchase, referral or Programme-related materials or correspondence are lost, fraudulent, stolen, late, incomplete, illegible, interrupted, delayed, altered, defective, misdirected, tampered with, or irregular in any way or if any Eligible Participant’s e-mail address, Valid Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. The Programme is void where prohibited or if the Eligible Participant’s account or transactions are fraudulent, abusive, not completed through legitimate channels, or irregular in any way. [Terms and Conditions](#)

By participating in PayPal's Reward Programme (the "Programme"), you agree to the following terms and conditions ("Terms").

1. Offer Period: The Programme starts at 12:00:01 a.m., Greenwich Mean Time ("GMT") on 20 February 2025 and ends at 11:59:59 p.m. Greenwich Mean Time ("GMT") on 24 March 2025 or until 120,000 Rewards have been rewarded, whichever happens first (the "Offer Period").

2. Redemption Period: Reward (as defined below) will expire 30 (thirty) calendar days after the date the Reward is made available in the Eligible Participant's Valid Account.

3. Eligible Participant: To be an eligible participant (an “Eligible Participant”), each participant must: (1) be eighteen (18) years of age or older; (2) be a resident in the United Kingdom; (3) have a United Kingdom personal PayPal account in good standing (a “Valid Account”) during the Offer Period and Redemption Period and (4) receive an authorised invitation to participate in the Programme (“Invitation”) (eligibility for those who receive the Invitation will be determined solely by PayPal); and (5) download the PayPal app and log in. The Programme is limited to the first 120,000 Eligible Participants who successfully claim the Reward on a first-come, first-served basis. For the purposes of this paragraph, “good standing” shall mean the Eligible Participant is not in breach of the Terms and the User Agreement, and will continue to comply with the Terms and the User Agreement for the duration of the Programme.

4. How it Works: To qualify for a Reward, Eligible Participants who receive an Invitation to participate must successfully complete the following during the Offer Period:

- a. Download the PayPal app; and
- b. Once the PayPal app is downloaded, Eligible Participants must log in to their Valid Account on the PayPal app.

5. Reward: The Reward amount is £5.00 GBP (five pounds) (the “Reward”). Once the steps described above are completed and verified, the Reward will be made available in the Eligible Participant’s Valid Account within approximately 14 (fourteen) days after verification of Eligible Purchases but may be available sooner. Eligible Participants will also receive an email informing them when the Reward is available in their Valid Account. During the Offer Period, there is a limit of 1 (one) Reward per Valid Account. Reward will expire 30 (thirty) calendar days after the date that the Eligible Participant receives the Reward in their Valid Account. There is a max of 120,000 Rewards available. Use of the Reward will be reflected on the Eligible Participant’s PayPal receipt and/or in the transaction details of their Valid Account. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant’s Valid Account. The Reward is separate and different to PayPal balance. Should the total purchase amount exceed the Reward value, then you must add a payment method to your Valid Account in order to fund any remaining balance and redeem the Reward.

6. Receiving and using Rewards: A Valid Account must remain in good standing from the time of participation through Reward fulfilment, as reasonably determined in PayPal’s reasonable discretion. Subject to giving reasonable notice to the relevant Eligible Participant where possible, PayPal may provide an alternate Reward of equal value if it is unable for any reason to fulfil the Reward. PayPal reserves the right to limit, cancel, suspend or modify this Programme in part or in its entirety at any time. If we do so, we will provide you with reasonable notice. PayPal reserves the right to review any account or transaction related to this Programme, for any reasonable cause and delay completion of the Reward. Before delaying or cancelling the Reward, PayPal will give the Eligible Participant reasonable prior notice, where possible and practicable, and the possibility to object to the decision. If item(s) purchased using a Reward are returned and the Reward has expired, PayPal will first refund the money spent to the payment method used to complete the Eligible Reward Purchase and purchase amount in excess of the money spent (i.e. the value of the Reward) will not be refunded. If the Redemption Period has not expired, the value of the Reward will be returned to the Offers section of the Valid Account and will be available for use by the Eligible Participant up until the Redemption Period. Similar offers may run at the same time; qualification for this Programme does not constitute qualification for any other offer. PayPal is not responsible and/or liable if any e-mail, Reward, purchase, referral or Programme-related materials or correspondence are lost, fraudulent, stolen, late, incomplete, illegible, interrupted, delayed, altered, defective, misdirected,

tampered with, or irregular in any way or if any Eligible Participant's e-mail address, Valid Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. The Programme is void where prohibited or if the Eligible Participant's account or transactions are fraudulent, abusive, not completed through legitimate channels, or irregular in any way. Certain offers may not be transferable. Participants may access a copy of PayPal's privacy policy available here or contact PayPal if they have questions or requests about the exercise of their rights, privacy and data protection. Any questions relating to the offer will be resolved in PayPal's reasonable discretion and its decisions related to the offer will be final and binding.

**7. Governing law and jurisdiction:** These Terms are governed by the laws of England and Wales. By participating in the Programme, Eligible Participants agree to be bound by these Terms and the User Agreement. The courts of England shall have non-exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms. This does not limit your rights under mandatory statutory consumer protection regulations and for you to bring proceedings before the courts of the place where you are domiciled.

**8. 1. I am Directing the progress of a political party that is at the point of inception, the details of which can be found here: <https://app.joinit.com/o/conservative-libertarians/>

 Thanks for the connection Liam.

3. I believe that we are at a point in history where we need to take urgent decisions on the direction that the United Kingdom should adopt going forwards.

4. The way I see things this morning having started Living from the Truth is that we in the United Kingdom have choices from which to take a decision as to the road ahead: either we live to a dictatorial Monarchy as now (what I have described as being constructed by Satan-evil elements of a bygone age) or we have an ornamental Monarchy as set out here:

<https://www.theconservativelibertariansociety.com/about-1> which essentially retains King Charles III and then Prince William and then Prince George etc as the next in line Cultural Head of the nation, or we just carry on as we are now and rejoin the European Union with its Court institutions such as the European Court of Justice, the International Criminal Court, and European Court of Human Rights to monitor the violation of the rights of human beings by the judicial structures of the United Kingdom as a final resort for people to take their cases to.

5. The special relationship of the United Kingdom with the United States of America is already under strain proving to be not what it has been cracked up to be. Our economy would seem to be better off with a bias in Europe.

6. I believe in consensus politics so that we discuss these matters. Will you therefore join me in my campaign to bring truth, justice and democracy into the world through memberships of Conservative Libertarians (UK) at <https://app.joinit.com/o/conservative-libertarians/> and of Conservative Libertarians (Global) at <https://knowledgefoundersunited.com/>?

Thank you for contacting the Financial Ombudsman Service, we are a free service set up to resolve disputes with financial businesses, like banks or insurance companies.

We're helping a lot of customers at the moment, so I'm sorry we won't be able to reply straight away.

If you're contacting us about a new complaint

You can find out more about the things we can help with on our website – where you can also use our complaint checker tool to see if your complaint is one we can look at.

If we can help, we will get back to you within 7 days. Due to the volume of enquiries we receive, we are only able to reply to those customers we can help.

If you already have a complaint with us

We'll contact you once your complaint is with a case-handler.

However, if you're experiencing serious financial or health problems, or need to speak to someone urgently, please call us on 0800 023 4567.

If we are not able to help you

We can only look at complaints about financial businesses (like banks, insurance companies and finance firms). We can't help with other complaints – for example, about phone and utility companies, council tax or legal services. Please look at our website for more information about other organisations that may be able to help – but they are completely separate from the Financial Ombudsman Service

And just to remind you again, if we can help, we will get back to you within 7 days.

Thanks,

Financial Ombudsman Service

### **Transcript of a Video Update**

In General Discussion

<https://www.theconservativelibertariansociety.com/forum/general-discussion/transcript-of-a-video-update>

Hello there everyone. This is Shantanu Panigrahi here. Today is the 11th of November 2021. The time is 13.37 pm here in the United Kingdom.

I am having a bit of a review because all my tasks are over. I have completed my studies and researches into the nature of Reality and have managed to navigate myself through that reality which I describe as being Brahma-Nature composed of sattvic, rajasic and tamasic guna interactions. It has taken me 24 years to fathom it all out and there has been terrible tussles with the State of the United Kingdom to let me pass my way through that so that I could study humanity and I could study Humanology and derive my own conclusions on what is existence for mankind. I have written 20 books of which some are just booklets or pamphlets whereas others are quite detailed accounts of all my studies and communications with various people over these 20 odd years, and these are all available if anybody would like to visit my website at the [allurementofrealityinreview.com/shop](http://allurementofrealityinreview.com/shop), they are free to do so and purchase a copy of any of these materials that they would like. If you are a Member you can make a small donation and that would let me send you a copy of the particular material directly to you by email.

So I have survived great odds over the past 24 years. I was not mentally ill but I had a deep compulsion to seek the truth and the truth was something that was sparked by awakenings in me through utterances and writings that I was doing while I was in the University of Greenwich which got me to a state that I virtually abandoned my scientific career and move on to find out whether there is a God or not who was the Higher Entity within my mind and body that was getting me to doing certain things. And the certain things were quite specific, and they were on reflection the Sudharshan Chakra of Sri Krishna because today I am at a point of total liberty, discharged by the mental health authorities after numerous years of having been kept in mental hospital on two occasions and kept in the Care in the Community provisions since 2008. I was discharged from all mental health monitoring and surveillance back to the GP Service although I am still taking my medications of risperidone, sertraline and depakote antipsychotic, antidepressant and moodstabilising agents as a precautionary measure from the point of view of the GP Surgery and my wife so that from what they consider to be the reality they do not want me to slide into paranoid schizophrenia and persistent delusional order or autism no matter how much I try to convince them that this is not going to happen because I am totally normal in total peace of mind and am looking forward to the rest of my life.

So in that way I believe in the review of what is sanatan dharma, that sanatan dharma is a real dharma and it is the eternal law of the universe. I worshipped Sri Krishna as God and with various techniques that I used that I described as being satya-advaita yoga to determine exactly what God has in store for me. And that led me to using a clock-checking mechanism because I wanted direct question and answer sessions with God. And they were productive in the early days, but they became haphazard later on and finally I took leave of God to find out my own path into my research. And this led to various techniques that I used to home in at Brahmo-advaita Vedanta, but that did not satisfy me because I was just reaching Brahman as Self or Consciousness. Brahman-Self was not realised by me as a real state of mind, and I then had to live my life in karma in Sanatan dharma yet again to discover what is the right duties and responsibilities of a citizen as a family member and as a person in global humanity in what he should spend his time on. I constructed the Conservative Libertarian Society as a global movement to set out the views of what Climate Change means to me in that it needs to incorporate the human dimension with the environmental and natural environment, all to be preserved as one in a holistic manner so that one part of it affects another part of it in deriving policies in politics that lead to a better world and lead in a comprehensive manner that will preserve the Environment and nurture the environment for it to be able to generate foods and services for us to live in.

Of course, that means that I am totally peaceful person, I would not harm even a tiny insect, I do not harm a bacteria or virus. I am not going to take the booster jab for coronavirus unless it becomes mandatory. I took two shots of the Astrozeneeca virus jab, and I got pain in my arm from that from what I could make out. So, I do not destroy even a bacteria or a virus. It is really against my innate nature to do so. They are all part of the environment. The Gaia hypothesis says that we are in a wholesome Nature where each part of it is inter-related to another part in the ecology of the Earth-Atmosphere system and that includes all the gases that ever erupted out of the volcanoes to treat the environment, and all the carbon dioxide, oxygen and nitrogen , the way they came about and what happened since in the creation of fossil fuels and such things that we are trying to reverse now in a very speedy manner that the Climate is not able to sustain without severe repercussions. My firm belief is that the Earth-Atmosphere system is a Gaia mechanism, and it will take its course if we humans do not do something to moderate our demands on Nature. So, I have said to the powers that be that we should curtail our demands and bring economic activity down to a lower level of expenditure for expenditures whether it is on coal or oil or uranium or solar power, or wind turbines, they are all expenditures in that they

demand from Nature. They demand natural resources. And natural resources come from energy, energy comes from the environment. And it all gets used one way or the other. The only way forward is to reduce our demand so that we can find a sustainable manner of living as a global community where everything is in balance in Nature. Balance means total equilibrium. Economics is the key to it.

From globalisation of capital there is 400 trillion pounds in circulation in the world economy all available from past investments and past human activities that is always available for investment in the future. Some years ago, I had said to the authorities that all the extra money should be converted into gold and buried deep in the underground for future generations or for never to be used again. And that was the only way we could bring a halt to the rampant usage of natural resources to protect the environment that causes Climate Change and global warming. And this remains my philosophy right now in the Conservative Libertarian Society that I am the only member of right now; and actually, I do not mind that because my job is to raise the issues and create the environment; create the education that is needed for people to take account of in the future.

I am 65 years of age now and so I do not have much longer to live. So I do not wish to become active in any activism sense other than just pour out my thoughts born of deep knowledge, the knowledge that I have accumulated by the fact that the United Kingdom has been a heaven-sent opportunity for me in having educated me from the age of 15 to 40 and since then using the facilities that I have had (computer) at home to investigate all aspects of life by quizzing, probing and exposing the truth of how we humans live. So, I am grateful to the United Kingdom as I have said in the past, and notwithstanding that I have said bad things to criminals for terrorising me incessantly to try and put a stop to my activities, when I used all kinds of bad names like madarchod, criminals, bastards, and other horrible names; they were instigating them to get me under attacks even more. But casting that aside I have said that I would never do anything to bite the hand that has fed me and my family for 48 years (my family for 35 years); and in that sense I am keeping quiet and waiting for my destiny.

This video is made on a day that I find myself in total liberty to generate food for thought to anyone who might be interested in my views and experiences.

Thank you
